

I'm not robot!

Is God trying to tell you something? Have you ever had a dream or vision that was so vivid it remained with you for days? It is possible that your dream had a spiritual connotation and your vision was a message from God. This is by far Perry's favorite book that he's ever written. Perry wanted to write on this topic for quite some time! In his lifetime their family's lives were spared through his dad's dreams. Further, the Lord continues to use visions and dreams in Perry's life to give warnings and spiritual insight into future events. This book teaches on understanding God's warnings and guidance from dreams and visions. There are 50 symbols that relate to spiritual dreams. This book helps explain how to interpret them. Perry Stone explains the guidance and warnings encrypted in our visions and dreams and includes an extensive list of common dream symbols. With his unique blend of Bible knowledge and spiritual insight he provides answers to many questions, such as, "Is my dream really from God?", "How do I distinguish between types of spiritual visions?", "Why am I having nightmares or unclear dreams?", "What do my dreams of a departed loved one mean?" Here are the topics included in this book: -The Last Days -Time to Pierce the Veil -The Dream Factor -Why Are Some Dreams Delayed in Coming to Pass? -Nightmares and Dirty Dreaming -False Prophets and False Dreams -The Psychic Voices Versus the Prophetic Visions -Can a Warning Dream Be Altered Through Prayer? -Learning to Listen to Your Wife's Warning Dreams -What It Means When Dreaming of a Departed Loved One -The Law of the Double Dream -Angel Appearances in Dreams -Why the Symbolism-Can 't God make it plain? -Four Types of Spiritual Visions -Dreams-Amazing Purpose for These Revelations -Conclusion-Dreams and Visions-God 's Voice of Intimacy Read an excerpt of this book! Biblical prophets indicate that in the last days, God will unleash a Holy Spirit outpouring that will be accompanied by both visions and dreams. This gift of spiritual dreaming and interpreting can be passed along generational lines through the spiritual DNA of a family. Fred Stone often received dreams, visions, and warnings concerning the nation from the Holy Spirit, and this same revelatory gift remains evident in the ministry of his son, Perry Stone. Gathering information from 40 years of personal experience in the ministry and thousands of hours of Biblical expertise, Perry explores the spiritual purpose of dreams and visions, providing the viewer effective, practical insights, into the world of divine revelation! Some of the extensive subject matter includes: • Stunning dreams that have altered historic events • Why dreams occur during levels of "deep sleep," and early before sunrise • Do those in a coma still retain the ability to hear? • Specific signs separating a spiritual dream from an unspiritual dream • Interpreting Biblical symbolism seen in a spiritual warning dream • How angels can manifest in dreams, and why God uses angelic messengers to bring direction • What about 'double dreams', 'delayed dreams', or premonitions of a person's death? • Various methods the Holy Spirit uses to reveal God's will and warn of trouble • Discover recent end-time warnings, in dreams and visions, that will impact America
